Is your child finding it hard to make a friend?

*The award-winning makers of The Dog House
are casting for a brand-new BBC series about friendship.*

We are looking for children aged 5 to 8 from all over the UK who need a little help navigating the world of friendship. Over three days, a team of child psychologists will help them build the social skills and confidence to make real, lasting connections with other kids.

If you'd like to help your child make a friend
(with no pressure to take part), please apply at:

Support Little Steps as you shop!

Little Steps Toddler Group, North Barrow, has been chosen as one of the 3 charitable organisations you can support as you shop in Tesco's Shepton Mallet store. This will run through May, June and July as part of their "Stronger Starts" grant.

Once you've paid for your shop, you can help yourself to some blue tokens and put them into the "Little Steps" tube as you leave. The more tokens we gain the more money we make!

Whilst Little Steps continues to thrive, pulling families from all the local villages and further afield; we know our running costs threaten to unsettle this position. Reaching out for grants keeps us going.

We aim to provide regular support to local families with children under 5; a safe place to play with a healthy snack and the much needed cuppa and a cake for the carers.

Fridays @ 10-11:30am, North Barrow Village Hall. Everyone is always welcome, just drop by!

For further information, please contact Heather Trott 07786546453

Would you like support with understanding and managing your young person's behaviours of concern?

The Course

- Each weekly session covers a different aspect of understanding and supporting behaviours of concern of children who are autistic and/or have learning disabilities.
- This includes considering sensory and communication needs. Parents and carers start the course by identifying a behaviour. Together we will develop skills, using a variety of strategies to help support the behaviour of concern
- There is also a focus on parent/carers wellbeing throughout the course
- This free course will run for 10 weeks. The sessions will be 2 hours long. Parents will need to attend all sessions except for unexpected circumstances i.e. sickness

Criteria

Please note that the course is not suitable for families who are currently in crisis or already on the Link LD/A caseload.

- The course is for parents/carers of young people with a confirmed diagnosis of Autism and/or Learning Disability or who are on the waiting list for an Autism assessment
- You should live with, or have very frequent contact with your young person.

Contact Link LD/A for more information
